

Located overlooking Eyre Square, Gaslight Brasserie offers a distinctive private dining experience in the heart of Galway.

The space combines classic elegance with city-centre energy, featuring high ceilings, striking Victorian bay windows, and views across one of Galway's most iconic locations.

### Capacity & Layout

The private dining room comfortably accommodates a minimum of 40 to 100 guests, making it ideal for corporate dinners, group celebrations, and incentive events. Smaller groups can also be catered for, with a room hire fee applicable.

### Dining Experience

Menus are designed to deliver a premium brasserie experience, with pricing typically starting from €55 per person. Higher-end menu options, including dishes such as fillet steak, are available for more elevated dining occasions. Linen is provided for higher-tier menu selections, enhancing the overall presentation.

### Facilities

Guests benefit from a dedicated private bar and cloakroom facilities, ensuring a seamless and comfortable event experience from arrival through to departure.

### Entertainment

Due to the nature of the space, amplified entertainment such as bands or DJs is not permitted. However, the room is well suited to background music or a single acoustic performer, maintaining an intimate and refined atmosphere.
